PEEO WORK

After Rajshree incharge verification, PEOO will now start the next stage of verification using school login. Under Schemes menu 'Rajshree' menu is visible as shown below. By clicking on the button below PEOO will be redirected to the new Rajshree portal.

On the new portal all the concerning figures are shown on the 'Dashboard' of PEOO as shown below. Here all the counts of all the mapped Schools .

Using side menu – ‘Verify Application’ PEOO can easily check mapped schools status at each level (Applied/Verified By School/Verified By PEOO/Rejected By PEOO) as shown below.

By clicking on figures PEOO can check application list along with applicant's information.

Also to view complete filled application PEO can click on the applicant's Name and view the entire application filled and verified by Rajshree incharge.

Al so if PEO finds any issue with the details provided by the Rajshree incharge incorrect or improper then PEO can reject that particular application using 'Reject Application' and also mentioning the reason of rejection from the list as mentioned below.
